## Marching Band 1973

The Saegertown Area Marching Band has been working quite hard over the summer months with the results showing their effort. The Memorial Day and Saegertown Spring Festival parades were non-competitive. The annual Cherry Festival Parade at North East was the scene of the first competition where they placed second. The band then went to Presque Isle for a picnic. Within the next week, the band went to Rocky Grove, and to Cambridge Springs on the following Saturday, where they were awarded first place. At a small parade in Fredonia, they took first.

The second week in August brought disappointment for all. At the most important parade of the year, at Mars, Pa., the band was unable to march. They waited for two hours in the 90 degree heat, only to find that they had to leave because many of the band members had to return for the production of "A Funny Thing Happened On the Way to the Forum," that evening. The next day the band performed a show at the Meadville Airport. Two days after that, at the Sheakleyville Homecoming Parade they marched in the rain. The end of the summer season was highlighted by the annual trip to Kennywood Park on August 19th., where they marched in the evening. Band camp was held at Allegheny College from August 26-29th. There the band formed their football show during the four hottest days of the summer.

Two weeks later, the first pre-game and halftime show was presented to a very receptive crowd. "Odyssey Rock" was used as the opening of the halftime show followed by various other dance routines. The 73 marching band season was concluded by the Annual Halloween Parade in Meadville where they tied for third place with Maplewood High School. We are looking forward to a fine season next year after losing only five band members and three majorettes.

## Seniors

# Majorettes 1973

Leslie Martin, Dawn Pressey, Mary Jean Reichel, Nancy Holowid, Debbie Kedzierski, Arnette Wood, Karen Hunter, Joyce Karcheski, Linda Dennis, Kim Shirk, Donna Martin.

Mary Jean Reichel, senior, has been a majorette for three years. She has contributed many ideas for majorette routines.

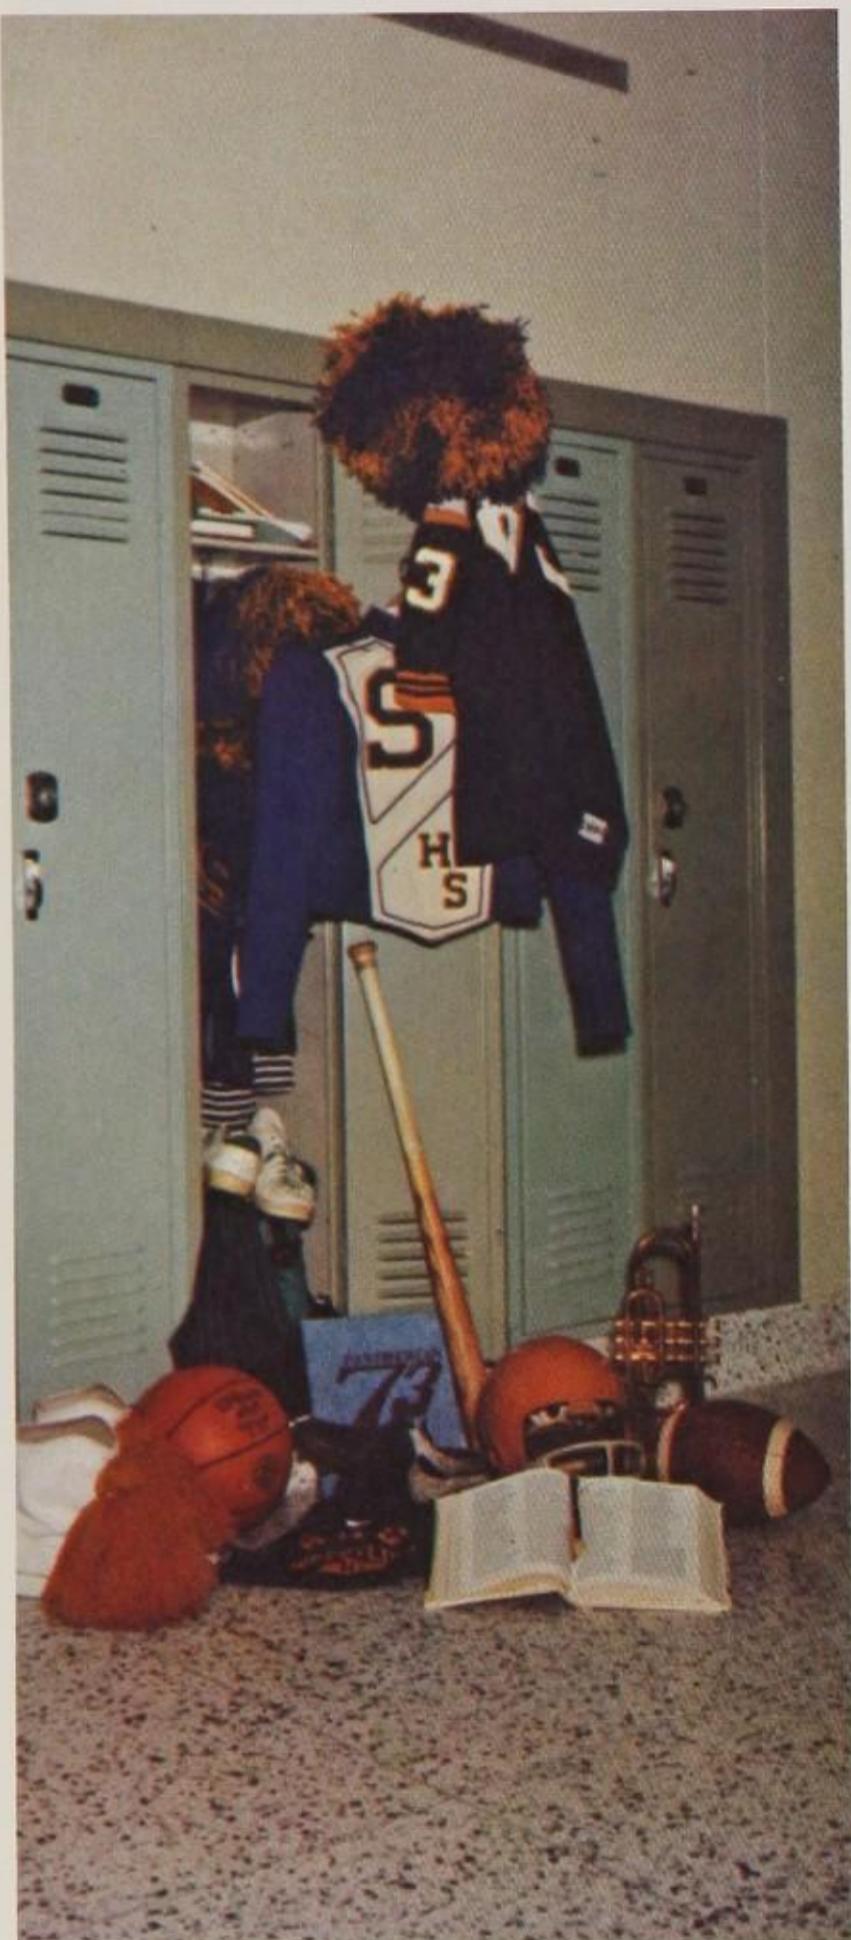

This year our Band was lead through parades and directed on the field by Arnette Wood. She has been a majorette for five years and attended two majorette clinics during the summer. Her spirit has lent greatly to the Band's halftime performance.

Debbie Kedzierski, senior, has been a majorette for five years. She has attended two majorette clinics during the past summer. This year she was chosen as Head Majorette, where she led the majorettes through an outstanding year.

# Homecoming 1973

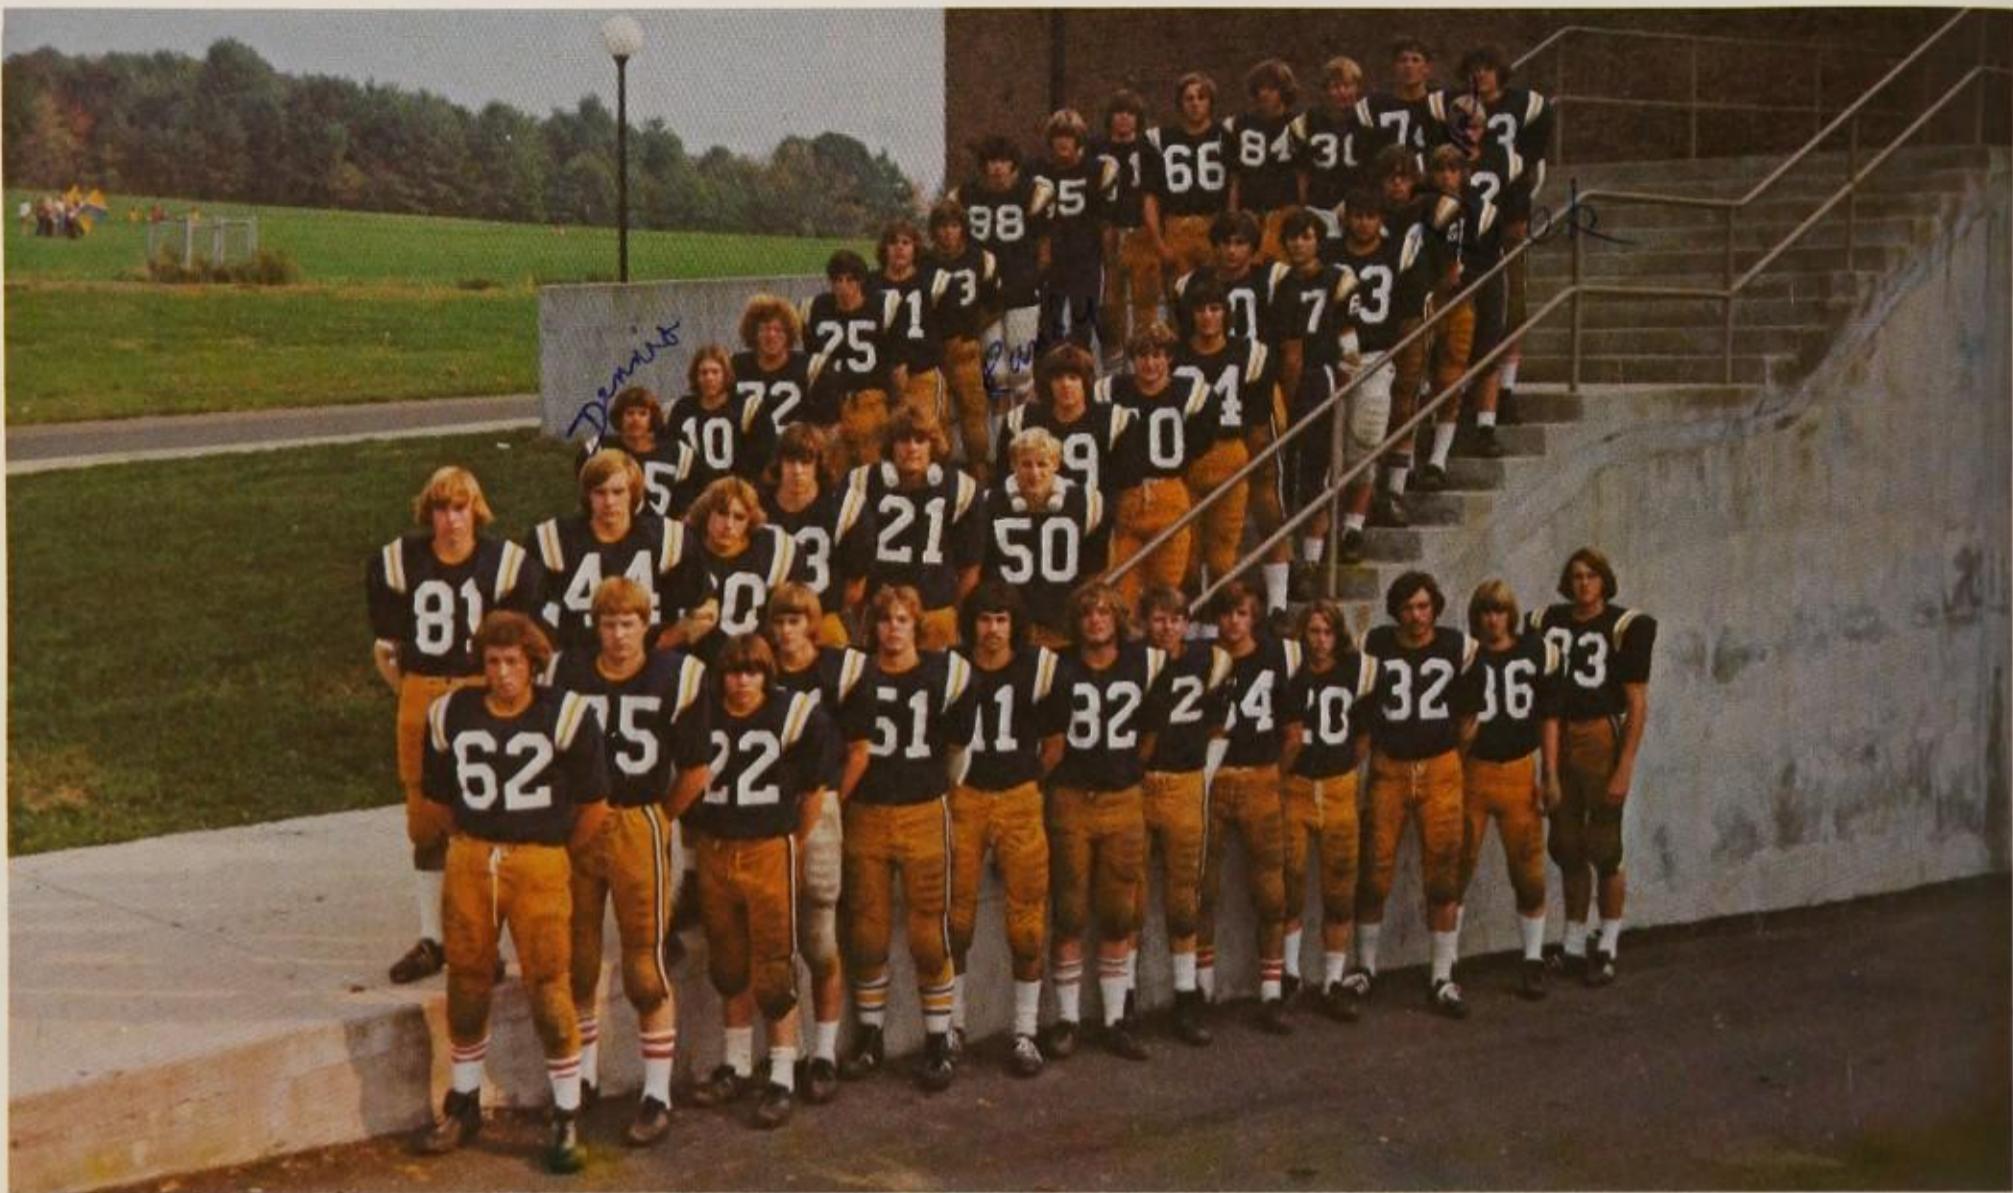

Homecoming festivities started early on the afternoon of Friday, October 19, 1973 as the Dramatics Club presented two comedies: "Hillbilly High Jinks" and "His Wife, the Midnight Trumpet Player." The action then moved from the auditorium to the gym as the Homecoming candidates and their escorts were presented to the student body. The candidates and escorts were: Beth Darcangelo, Wayne Mott; Judi Fargo, Jack Walls; Brenda Ferry, Ron Baker; Mary Hasenkopf, Bob Miller; Susan Jordan, Steve Scott; Kathy Lohrer, Mark Mears; Lynn McGowan, Brad Rodgers; Mary Jean Reichel, Tom Brunot; Darlene Spaid, Dick Hart. The majorettes performed a dance routine to "Varsity Drag"; a pep assembly then followed.

That evening the Saegertown Panthers played the Conneaut Valley Indians. During the pre-game show, Mr. Richard Baker, on behalf of the former Saegertown Area Joint School Board of 1967, dedicated the Middle School football field as Canon Memorial Field, in memory of Bob and Bill Canon. At half-time, the homecoming candidates were presented and Mary Jean Reichel was crowned queen. She presented lifetime passes to Canon Memorial Field to the Canons' parents and Bill Canon's wife, Judy, and son, "Huffy." We won the game 26-0.

The festivities were completed by the annual dance held the following evening.

In his twenty-fifth year of coaching and his seventeenth at the head position for Saegertown High, Merle Darcangelo has led our team through an unbeaten season except for one quarter against Maplewood. The Panthers have talent everywhere, and Darc brought out the best.

The three B's in the Saegertown backfield, quarterback Tom Brunot, and running backs John Bowersox and Ron Baker, were all vital to the teams success.

The teams record speaks for itself at 8-1. And the future looks bright with the majority of the team returning next year.

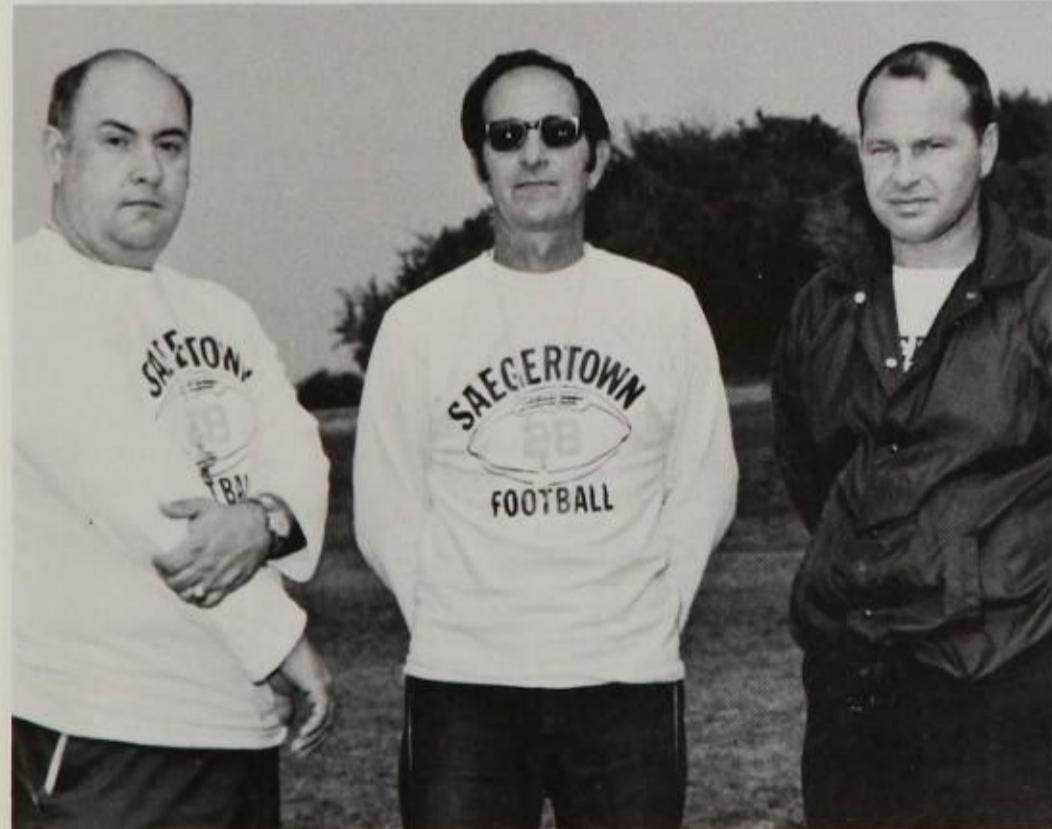

Juniors Jeff Vuksan, Gary Watson, and Ray Butterfield along with sophomores Randy Schlosser and Pat Butler added to the success of the Panther team.

Players nominated to the Crawford County All-Star team were: Tom Brunot, Steve Scott, Ray Butterfield, Ron Baker, John Bowersox, Rich Hart, and to the second team were Gary Watson, Jeff Vuksan, and many of the above. Honorable mention was received by Mark Mears.

## Volleyball 73-74

On September 11, 1973, girls' volleyball season began. A total of 22 girls came out for the season to serve under second year coach Cindy Styborski.

This promised to be a step forward in the volleyball program. Though, having practiced other years, this was really only the second year for organized and regular practice sessions.

This past season was the first year for girls volleyball to play in a competitive league. The other school teams that played in the league were experienced and not easy to play. A tournament was held at the end of league play at Saegertown High School to determine the championship team. Conneaut Lake's team won the trophy with a record of 12-0.

Eight senior girls lettered and graduated from the team. They are: Cheryl Vuksan, Nina Adam, Beth Darcangelo, Susan Jordan, Diane Lenhart, Debbie Kedzierski, Janice Raybuck, and Deb Burns.

# PANTHER BASKETBALL 1974

# Varsity

In order from top of "S" around: S. Scott, J. Gigone, J. Bowersox, T. Simmons, J. Vuksan, T. Brunot, D. Darling, D. Beatty, K. George, M. Fox, Coach Zirkle.

This year's Varsity cagers were determined to dominate the CCL courts this year. Many coaches, players, fans and even the Erie Times believed that the Panthers had, "The horses to win the Crawford Toga." But as fate would have it, we got ripped off.

The Cats leaped off to a roaring start, maintaining their precocious pace throughout pre-league action, and with the brilliant determination and courage that characterize all Saegertown ball clubs, clawed their way to solo possession of first place in league play. But the team has one great weakness, inconsistency. This weakness was well demonstrated as we dropped games to Linesville (a real heartbreaker), Cochranton and Conneaut Lake.

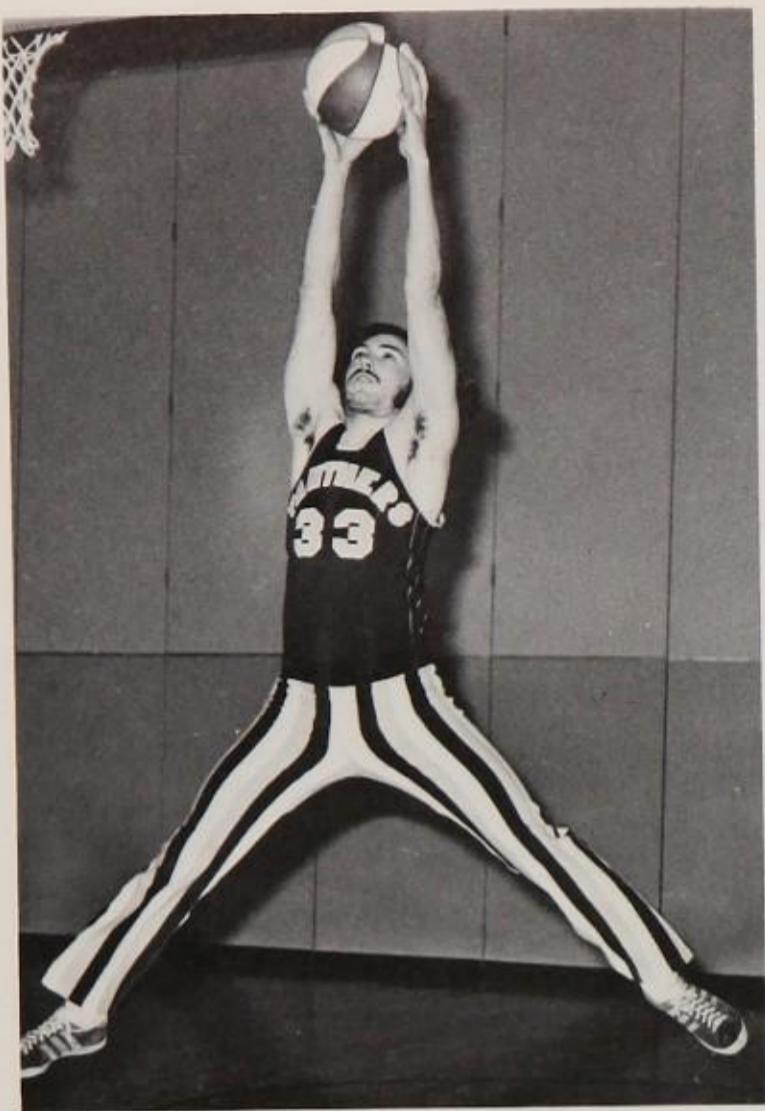

As you probably know, this year's league record was 8-4 and I have only mentioned three losses. Our first setback came at Cambridge Springs where we were without the services of six-five senior center Steve Scott. Steve led the Panthers to several victories throughout the year, won the CCL scoring title and ripped the hoops for an amazing 49 points against Conneaut Valley.

Tom Brunot, Mike Fox and Kevin George, our ball-hawking, fancy dribbling guards helped pave the way out front. Assisting Scott underneath was super forward John Bowersox. Our other big man was 6' 7" Bob Peters. The aforementioned gentlemen and the rest of the Varsity squad all contributed to a winning season.

Next year we will be a strong contender for the league title. Returning will be good height, superb rebounding ability and excellent guards for a well rounded team.

## J.V.

S.H.S. can be proud of our J.V. Squad that finished the season with 17-3 record. In Crawford County League Action they ended up with 12-2 giving them 2nd place in the League. The two losses were with Maplewood which was a two point defeat and a loss by six points with Linesville. The last game of the season could be called the team's best as they won over Linesville 51-34, destroying the Lions 26 game winning streak. Coach Daugherty's team looks very promising for next year's varsity Squad.

## Girl's Basketball

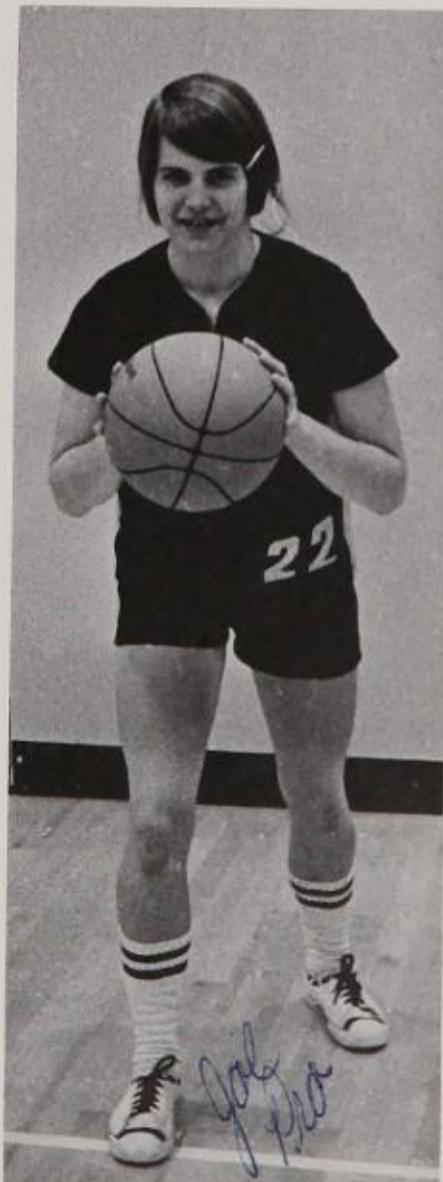

There was an important happening during the school year of 1973-74. The Penncrest District and other Crawford County School districts recognized and permitted the organization of girls athletes under PIAA regulation.

On December first, girls desiring to play basketball reported to practice. The girls basketball team had twenty-one members, a manager, and a scorekeeper. The scheduled games were played during January and February. Although they didn't earn the name of No. 1, they learned what basketball (competition-style) was like. The team is looking forward to a successful season next year.

### DISTRICT CHORUS

S.H.S. is very proud of its eight students who represented us at district chorus at Union City in February. We are especially proud of Mark Munson who accompanied the chorus for the second year and Bill Terrell who was chosen first place in the solo competition at districts.

Mark Munson

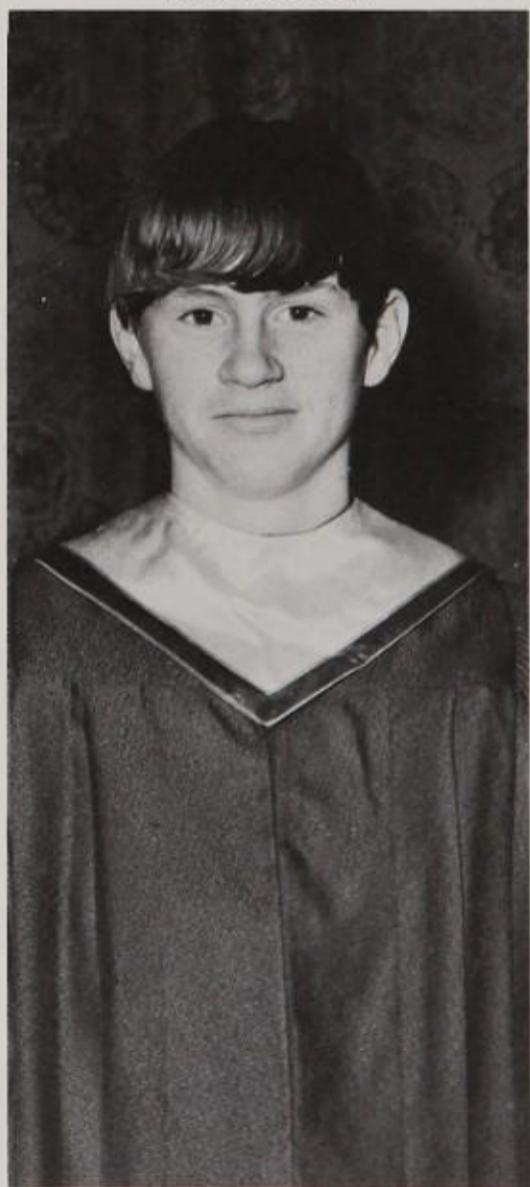

When one person is probably the best pianist to ever go through Saegertown High, conducted the pep band, goes to district band, district chorus, regional chorus, and plays for all of S.H.S.'s musicals, marches in senior band for six years and plays other instruments. What can you say but Mark Munson you're great!

The Saegertown Baseball team had a fine year to be remembered as they closed out their victorious 1973 season. The highlight was when they beat Cambridge Springs to clinch the Crawford County League Championship.

Many factors contributed to their success. One was a strong pitching staff led by Senior Tim Groves with a 5-2 record, Junior Tom Brunot, who was 4-0; and sophomore Dan Ervin, who had a 3-1 record.

Hitting power also played a big part in their success. Junior John Bowersox led with .457 average and was followed by Jack Walls, Tim Groves, Roger Schlosser, Randy Schlosser, Jeff Vuksan, and Doug Terrill, who all hit over .300.

A strong defense provided the Panthers with a one-two punch and the bench strength which the team had to count on helped compile the 11-1 conference record and overall record of 12-3.

Sophomores Steve Dillaman, Jeff Koket, Dan Consiglio, Ray Butterfield, Ray Dronko, Dan Ervin and Doug Terrill, all played an important role in the Panther success.

*Row I:* John Hamilton, Jeff Bradshaw, John Cap. *Row II:* Brad Rodgers, Mark Tomiczek, Dave Darling, Ray Yarnell, Coach Mr. Wiegle.

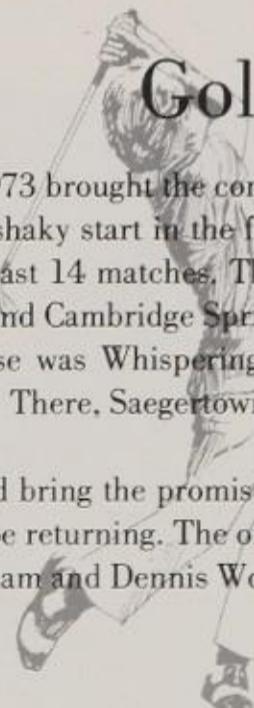

Seniors: Dennis Wolfe and Norbie Adam

## Golf

The spring of 1973 brought the coming of good weather and a fine golf team. After a shaky start in the first match they settled down to win 13 out of the last 14 matches. The team finished second with a record of 13-3 behind Cambridge Springs, who was 16-0.

The home course was Whispering Pines near Meadville, and it brought good luck. There, Saegertown played the best with an 11-1 record.

Next year should bring the promise of a good team as most of the starting team will be returning. The only losses will be the two senior starters, Norbie Adam and Dennis Wolfe.

1973  
Prom

The Holiday Inn was the scene for the Junior-Senior Prom, held on the evening of May 19, 1973. In the blue and silver Heritage Room, Tom Brunot crowned Carolyn Neely as Queen while Tim Vuksan reigned as king. The room was highlighted by silvery-blue stairs with a white satin runner framed by a starry background. Dale Higgins' band was the featured entertainment, and the evening was made memorable by Dan Fox's solo "Stardust." Prom Aides Loretta Carrier, Nancy Holowid, Shirley Porter, Pam Ferguson, and Shelly Fredericks helped to make the evening a success.

Inasmuch as I've been asked to write a farewell comment, I'll try not to be brief.

As a little person in the sixth grade I used to look up at the juniors and seniors as sitting on a pinnacle of social status which I'd only attain in too long a time to even contemplate. Even now I can't picture myself as ever making it to the age of thirty-five. I used to think oh-when-I'm-a-senior this, and oh-when-I'm-a-senior that, and it will be only nine more years before I'll get my driver's license. But time waxes on slowly and a lot of insignificant things happen to you to dampen the shock of realizing one morning that you're going to be a junior or senior that day. My parents say, "I can't believe that you've almost finished your senior year," but I unenthusiastically answer, "I can." The same goes for all those around me. Sure you have a few new freedoms, but you feel as if you've run a marathon to get them. Driving is also a milestone accomplishment in one's life, but the classroom instruction, the learning permit, and the driving instructor are enough to make you thrown up at the thought. Clearly you wouldn't do it all over again for the world.

Even though you've finally attained the rank of senior, you don't perceive any drastic changes in yourself. You can safely say that you've developed mentally, but the progress doesn't hit you in the back. As Gertrude Stein once put it, "It's a continuous present. And to have a continuous present there has to be a series of beginnings, always beginning, beginning again." You don't stop being a sophomore and then become a junior; you don't stop not knowing how to drive and then know how to drive. The only people who see whole classes going through all these phases are the faculty; they watch us subtly roll with the even more subtle punches and hopefully grow up.\*

After having read this selection, I felt that I could find no better words for a farewell address. I would only like to wish the best of luck to all the graduating seniors and the underclassmen who will later follow in their footsteps.

Sincerely,

*Diane Lenhart*

not sitting around doing nothing think  
about what Spanish Class is.
